Celebrating

years
of
Awesome!

On August 19th, we will be celebrating our 55th year in business!

What was life like in 1963...

- The World's population was 3.19 Billion (it's more than double that today!)
- Elizabeth Taylor was the first actress to earn \$1,000,000 for a single film (Cleopatra)
- Minimum wage was \$1.25
- A&W Rootbeer was the first fast food chain to offer the Bacon Cheeseburger (Special thanks to A&W!)
- The Lava Lamp was invented
- First class postage was \$.05

What hasn't changed? *US!* We've grown, we've moved locations and heck, we even changed our name. But what we do, how we do it and why we do it hasn't changed. We know who you are, we are committed to you. Together we are *awesome!*

welcome

We've added a new member to the Novo Team!

Please join us in welcoming **Jodi Deerfield** to the Novo Family! Jodi has an extensive background in credit unions; she's a fan of the Dallas Cowboys; but most importantly, she's got that 'Awesome' factor. *Please join us in making her feel at home!*
