Use Your Phone to Make Purchases with Apple Pay!

Register your Novo CU Debit Card on your preferred Apple device to make purchases rather than using your physical debit card, it's faster and safer too. You can make secure purchases in stores, in apps and on the web. You can even send money to friends and family within your Messages app. Using

Apple Pay is safer than using your physical card because when you make a purchase, Apple Pay uses a device-specific number and unique transaction code. Your card number is NEVER stored on your device or on Apple servers and it's never shared with merchants.

Learn more about Apple Pay at <https://support.apple.com/apple-pay>.

INSIDER TIP:

Reminder: Audio Phone Line is expiring.

Don't Forget About Novo Pay!

Paying your bills online is safe, secure, and EASY! Novo Pay is our online bill paying program. Sign up using your Novo CU home banking or mobile app account (under Additional Services). All you need is a checking account to get started! If you don't already have a Novo CU checking account, call us so we can get one set up for you so you can start paying bills right away. Not only can you pay your normal every-day bills, you can send money to yourself at another institution or to others using their email address or their account information. Simple and convenient!

Our awesome, ridiculous, retro auto loan rate has been EXTENDED!

Now through September 30, 2021, when you finance a New or Used Auto Loan with us, you'll get one of our lowest rates ever! Receive a 2% rate reduction from your qualifying rate – as low as 1.49%*. And when you refinance an existing auto loan from another lender you'll receive a 2% reduction in your current rate. That's not all! There are no payments for 90 days. That really is AWESOME!

*APR = Annual Percentage Rate. Loan approval is subject to credit and income evaluation. Not all borrowers will receive the lowest rate. Rates are subject to change without notice. Promotion applies to vehicles less than 6 years old. Effective until 07/31/2021. Refinance of existing Novo FCU loans excluded. This credit union is federally insured by the National Credit Union Administration.

Audio Phone Line Expires on July 31, 2021

All good things must come to end and in this case the end is near for our Audio Phone. If you haven't already, please contact us about setting up your account for online banking and/or downloading our mobile app. Both are awesome ways to keep current with your Novo accounts.

Together We Are Awesome!

We know who you are and we are committed to you.
