DID YOU KNOW:

When you use your debit card as "credit" at the store (or any merchant) that the credit union earns income for your transaction? It's true, we do! When you choose "debit" (which requires you to enter your PIN) we are charged a fee for your transaction. So please, whenever possible, choose "credit". It helps all of us!

Federally insured by the NCUA.

NOVO CU Staff - Gold Medal Winners!

The credit union staff participated in the 11th Annual Credit Union Olympics over the summer and brought home the gold! The Olympic games were made up of social media challenges, group activities and weekly walking distance goals. This was our first time participating and winning the gold was a great accomplishment! The Olympic trophy will be delivered to the office soon; make sure you come by the office to admire it!
