## DID YOU KNOW:

### Once A Member, Always A Member!

*Congratulations to our newly retired members! If you are retired and/or moving out of the area keep in mind that once you are a member you are a member for life; no need to switch banks (there aren't any out there that are as awesome as us) or cancel your account. In fact, we can set up a payroll deduction and/or direct deposit with PERS to your Novo Account. Call or text us for more information.*

## Is Your Account Beneficiary Up To Date?

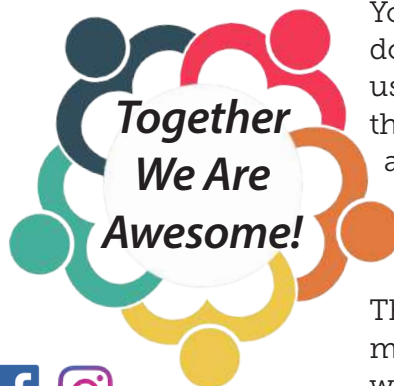

Not sure who your beneficiary is or if you even have one? Give us a call so we can verify your account details. Get peace of mind that if something should happen, your account(s) at Novo Credit Union are in the right hands.

## Financial Planning Available

The financial market is a challenging place right now. We are excited to introduce Eldon Gutierrez, our business partner for financial planning. Eldon is here to help you navigate through these unusual times. Some of you may recognize his name as he worked closely with us for 9 years through our prior partnership with Enterprise Car Sales. Give us a call/email/text to get more information.

Your continued generosity with your donations to our Candy Campaign allowed us to help three credit union families over the holidays. We were especially moved and overwhelmed by a receiving a single donation of \$1,000 from a generous and kind-hearted credit union member of 40 years.

Thank you to everyone that donated; you made a positive difference at a time when it was needed most and **we appreciate you!**
